COMPANY INTRODUCTION

Company brief introduction:

We are established in 2010. The company is located in Jinan City, Shandong Province, where Sinotruk is located. Sincere to the customer and in good faith of quality is Deruna Heavy Truck Parts forever followed motto. It's the basement to be a human and do business. We take all responsibility for our products and service sincerely.

Main product:

Our company specializing in the manufacturing and wholesale of China National Heavy Duty Truck, Shaanxi Heavy Duty Truck, Beiben truck, Foton truck and its related accessories. We mainly engage in various accessories products such as truck parts, cylinder blocks, crankshafts, diesel engines.

1. Power parts, including engines and peripheral parts [such as starters, generators, superchargers, various filter elements, etc.
2. Driving Part [also called transmission part], including clutch, gearbox, transmission shaft, axle, etc.;
3. Suspension part, including front and rear steel plates and fasteners, balance shaft, thrust rod, etc.
4. Steering part, including steering gear and Horizontal pull rods, etc.
5. Electrical appliances and valve parts, including various types of electrical switches, wiring harnesses, bulbs, and various braking components (valves).
6. Control and cargo parts, namely cab and cargo compartment.
7. Frame [that is, the beam] and so on.

Overseas market at present:

Our sales have averaged over 10 years of experience in exporting, and are proficient in all processes of business operation which can efficiently fulfill customer needs. We currently export to 37 countries, and the client partners from Russia, New Zealand, Fiji, Papua New Guinea, Malaysia, Zambia, South Sudan, United Arab Emirates, Zimbabwe, Colombia and so on. We can also help you to supply registration documents of the importing in different countries.

Welcome new and regular customers to contact us to establish future business relationships and achieve common success!
